

# READ SAINT PAUL BRAVE

## *Maya and the Robot* Discussion Questions

1. Ms. Montgomery teaches her class to be “RRB” (really, really brave).

When was a time you were really, really brave?

2. Maya teaches Ralph the robot different things to help her family and community.

What is something you would teach Ralph to help the people in your life?

3. Mr. Mac saw many needs in his community and has done a lot to help his neighbors. Who are your people in your community? Who has helped you?

4. Elijah and Maya are both new in their class struggling to make friends. How did each of them act? How are they the same? How are they different?

5. Maya's science experiment is about how stressful situations affect us. Think of a time you were in a stressful situation. What are things that helped you through that stress?
