

# HALFLING ROGUE 7

“Could you keep the screaming down a bit? I’m kinda busy here.”

You’re completely self-sufficient. If you need something, you take it. If someone else has it, they don’t anymore. Necessity trumps silly laws of possession.

You weren’t a desperate orphan, scratching out a living on the mean streets. Neither were you a noble poser, slumming for excitement. No, you are a master of adaptation to your environment—be it urban, dungeon, or the wild.

## BACKGROUND (CRIMINAL)

You are an experienced criminal with a history of breaking the law. You have spent a lot of time among other criminals and still have contacts within the criminal underworld. You have survived up to this point by flouting the rules and regulations of society.

Your expertise is burglary. You are unmatched at getting into tight spaces and locked rooms, and getting back out again richer and none the worse.

**Criminal Contact.** You have a reliable and trustworthy contact who acts as your liaison to a loose network of other criminals. (This is not a formal organization like the Zhentarim.) You know how to get messages to and from your contact, even over great distances, using local messengers, corrupt caravan masters, and seedy sailors.

**Faction.** You are a member of the Harpers, a clandestine network of spellcasters and spies that seeks to tip the scales in favor of the innocent, the weak, and the poor.

**Personality Trait.** You are always calm, no matter what the situation.

**Ideal.** Everyone should be free to pursue his or her own livelihood.

**Bond.** You are loyal to your friends, not to any ideals.

**Flaw.** When you see something valuable, you can’t think of anything but how to steal it.

## HALFLING TRAITS

**Halfling Nimbleness.** You can move through the space of any creature that is of a size larger than yours.

**Lucky.** When you roll a 1 on an attack roll, ability check, or saving throw, you can reroll the die and must use the new roll.

succeed on the saving throw, and only half damage if you fail.

**Second-Story Work.** Climbing does not cost you extra movement. In addition, when you make a running jump, the distance you cover increases by a number of feet equal to your Dexterity modifier.

**Sneak Attack.** Once per turn, you can deal an extra 4d6 damage to one creature you hit with an attack if you have advantage on the attack roll. The attack must use a finesse or a ranged weapon.

You don’t need advantage on the attack roll if another enemy of the target is within 5 feet of it, that enemy isn’t incapacitated, and you don’t have disadvantage on the attack roll.

**Uncanny Dodge.** When an attacker that you can see hits you with an attack, you can use your reaction to halve the attack’s damage against you.
