

HUMAN CLERIC 5

“Hail pounding cobbled roofs into rubble, waves pulverizing rocks into pebbles, the crack of trees split by lightning, the crash of thunder, making the strongest men flinch... was there ever a more beautiful symphony?”

You are a worshiper of destructive weather: an initiate devoted to the wrath of thunder and the divine justice of lightning. You may not be the most popular priest in your community, but few are foolish enough to risk your ire.

BACKGROUND (PIRATE)

Your youth was spent on the high seas, as a crewmember on a ship of cutthroats. Your devotion to the gods of wrath began as simple rituals to ward off harsh weather. As you spent more years at sea, your bond with the forces of destruction grew ever stronger.

Bad Reputation. No matter where you go, people are afraid of you due to your reputation. When you are in a civilized settlement, you can get away with minor criminal offenses.

Faction. You are a member of the Zhentarim, an unscrupulous organization that seeks to gather economic and political control through both legitimate and shady means.

Personality Trait. You like a job well done, especially if you can convince someone else to do it.

Ideal. The sea is freedom—the freedom to go anywhere and do anything.

Bond. The ship is most important—crewmates and captains come and go.

Flaw. Once someone questions your courage, you never back down no matter how dangerous the situation.

CLERIC FEATURES

Spellcasting Ability. You have the ability to cast divine spells. Wisdom is your spellcasting ability for your cleric spells. You use your Wisdom whenever a spell refers to your spellcasting ability.

You prepare the list of cleric spells that are available for you to cast, choosing from the cleric spell list. When you do so, choose 9 spells. The spells must be of a level for which you have spell slots.

To cast a spell, you must expend a slot of the spell's level or higher. You regain all expended spell slots when you finish a long rest.

For its action, it can use only the Dash action or try to escape from an effect that prevents it from moving. If there's nowhere to move, the creature can use the Dodge action.

Destroy Undead. When an undead fails its saving throw against your Turn Undead feature, the creature is instantly destroyed if its challenge rating is at or below CR 1/2.

DOMAIN: TEMPEST

Channel Divinity: Destructive Wrath.

When you roll lightning or thunder damage, you can use your Channel Divinity to deal maximum damage, instead of rolling.
