# Butterfly 2

difficulty: ●●●●○

1 Fold in half horizontally from top to bottom, open, and then fold again from left to right.
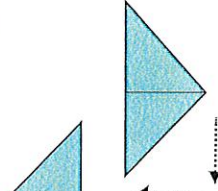

2 Fold in half from corner to corner, open, and fold in half with the other 2 corners.
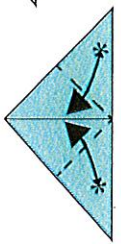

3 Fold in half horizontally again while pushing in the center crease on both sides.
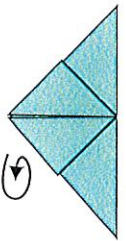

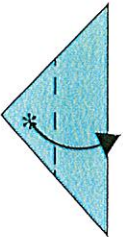

4 Flatten base into triangle.

**5** Rotate the project so the triangle points down.

6 Using the top layer only, fold the side corners down to meet at bottom corner
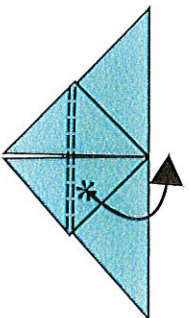

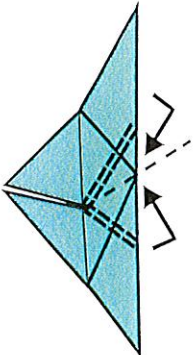

7 Flip project over.
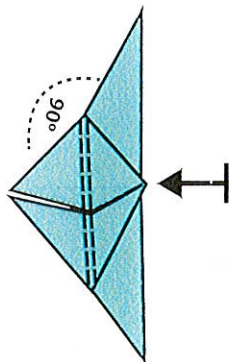

8 Fold bottom corner up using dotted line as a guide.

9 Flip project over again.

'Butterfly 2
difficulty: ●●●●○

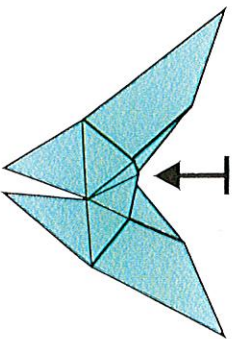

Butterfly 2 (continued)

**10** Fold bottom 2 flaps under using the dotted lines as a guide.

11 Open the flaps halfway open to create a right angle.

90°

12 Fold sides up along the center on the single dotted line. Fold each wing down over the double dotted lines.
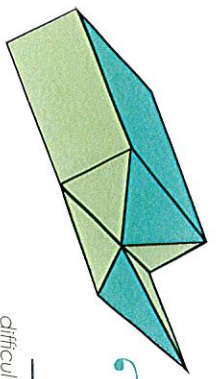

**13** Press the center fold down to create a dip in the center.
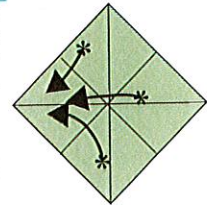

Finished!

Ball Cap

1 Fold in half horizontally from top to bottom, open, and then fold again from left to right.
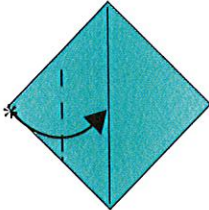

2 Fold in half from corner to corner, open, and fold in half with the other 2 corners.
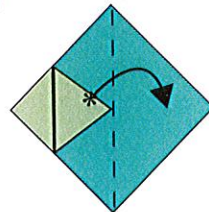

**3** Fold the top corner over to the bottom while pushing the sides between.

**4** Press together to create a square base.

**5** Fold bottom corner (top layer only) up to the center.

**6** Holding the top layer only, fold in half along the dotted line.
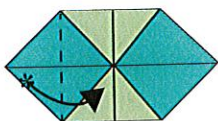

7 Flip project over.
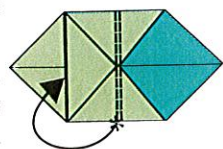

8 Repeat steps 5 and 6 on the opposite side.

9 Turn the right side like the page of a book. Do the same thing on the opposite side.

Ball Cap
difficulty:
● ● ● ●

Ball Cap (continued)

10 Fold side corners in to meet at center crease (top layer only). Repeat for the opposite side.
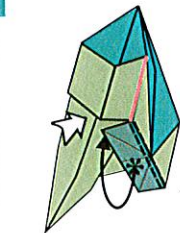

**11** Fold top layer of bottom corner up to meet in the center.

12 Fold bottom half under and then unfold to create a crease in the middle.
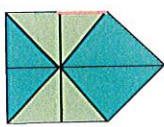

**13** You should have a small rectangle from top layer of paper only.

14 Let the project open a bit. Take the rectangle highlighted in the last step and tuck it into the cap.
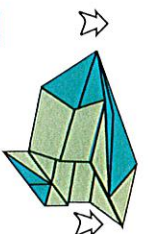

15 Flatten the project back out and fold the bottom corner into the center to create another rectangular flap.

**16** The back of the hat is currently facing you.

17 Open the project gently and fold the rectangular flap outward.

**18** Gently pull the cap open until it is almost square in shape.

19 Press the top down flat.

Finished!
