

Decisions and Challenges

There are many tough decisions that Manu has to make, including trusting others. When making decisions, do you rely on instinct, logic or advice?

How does trust factor into your decision making?

Truth and Power

There is a point when Manu realizes she is the outcome of her parents' bravery. This realization becomes the foundation of her own transformation. What truths about your identity or past have empowered you to create change? Have they been inspired by those who came before you?

Intentions and Growth

As she enters a whole new world of learning, magic and danger Manu is propelled by curiosity. Has there been a time in your life when you have stepped into the unknown? What phrases, thoughts or traditions kept you going?
